ONE OF A KIND FLOORPLAN WITH WORKSHOP

This is a home that you have to see to believe. It is unmistakably one of a kind with a lower level that has a huge laundry room that could double as a bedroom with sliding glass doors out to the screened-in hot tub. It also has 2 work shops attached for that tool guy or gal! The double doors allow easy golf cart access into the shop. One shop is 11x16 and the other is 10x16. This almost 1400 sq. ft. fully furnished 1988 Wellington home (not incl shops or front lanai) sits on a private perimeter lot close to the clubhouse and pools. Golf cart incl. New roof & a/c
